MASTER PALETTE SERIES

The latest addition to Tycoon's famed Master Series is the new and exclusive Palette finish. These drums perfectly showcase Tycoon's industry-leading finishing capabilities, marrying the intricacies of hand-applied painted color by skilled artisans with our state-of-the-art high gloss polishing, resulting in a completely original and stunning masterpiece. The Master Palette Series drums are paired with Chrome hardware to accentuate the beauty of its cascading color scheme. As is standard within our Master Series line, this new finish is offered in congas (4 sizes), bongos, djembes (2 sizes) and cajon.

INTERCONTINENTAL SERIES CAJONS

Introducing the new and exclusive Tycoon Intercontinental Series Cajons, designed to help cajonists play and sound their very best. Headlined by their solid-wood back and sides, these cajons are handcrafted from woods responsibly sourced from around the world. All of the cajons in this series feature 6-ply Finnish Birch front plates and four adjustable snare wires to boost snare sound. The corners and edges are expertly beveled by hand by our master craftsmen to maximize playing comfort and enhance the cajon's aesthetic contours. A premium stitched faux-leather padded seat is installed as an additional comfort enhancing refinement. The brand-new Intercontinental Series Cajons are offered in three flagship models: Finnish Pine, Acacia and Wenge.

FINN CAJON

Tycoon is proud to introduce the all-new Finn Cajon, 100% crafted from Finnish Birch imported directly from Finland. Constructed using 10-ply Birch for the body with a 6-ply front plate for optimal sonic quality with durability to match, the Finn Cajon features four adjustable snare wires to enhance snare sound.

TKFC-29

JINGLED FRAME DRUMS

TBJFD-14

TBJFD-18

Introducing the new and exclusive Jingled Frame Drums, with the added jingle feature designed to provide a new dimension of frame drum playing.

Features the same solid build quality as our standard frame drums, with Siam Oak shells and a pre-tuned natural goat skin head. Offered in two sizes - 14" and 18" diameter. Wooden tipper included.

SUPREMO SELECT KINETIC SERIES

Tycoon’s all-new Kinetic finish fits perfectly within our Supremo Select Series lineup, featuring hand-applied unique appearances and textures at affordable prices.

The new Kinetic color scheme is the result of a new finishing technique recently perfected by our design division, and is offered in two colors (Kinetic Gold and Kinetic Steel). For the first time ever, we are introducing our new Black Steel hardware in the Supremo Select Series, which complements this particular finish perfectly. Offered in congas (10” & 11” set on double stand), bongos, djembe and cajon.

BOLD SERIES CAJONS

The surge in popularity of the cajon over the past decade has been incredible. Tycoon prides ourselves on not only offering the most cutting-edge and innovative cajons on the market today, but also in supporting the growth of this instrument and welcoming more and more new players to try it for themselves. Driven by this commitment, we proudly introduce the Bold Series Cajon, an ideal starting point for anyone looking to learn the instrument. A full-sized cajon that features an Asian Hardwood front plate, adjustable snare wires and four rubber feet for improved stability when playing.

For a limited time, we are offering this cajon as a pack, together with everything you will need to get started, including a durable nylon carrying bag with large accessory pouch, a Hal Leonard Cajon Method Book with extensive online video lessons, and we've even included a free pair of full-sized Tycoon Wooden Maracas in matching color free of charge for an unbeatable value. Offered in four BOLD color options!

TRIPLE CAXIXI

Tycoon has taken our already popular Caxixi and made it bigger and better! Drawing inspiration from our Tri Agogo Bell introduced in 2012, the all-new Triple Caxixi enhances the instrument's distinctive sound and provides added gripping options for improved playing ergonomics. Hand-woven rattan shells with a special fill designed to create a dry, cutting sound. A coconut shell cap woven at the bottom of each shell allows for beautiful sharp accents to be played.

KENTE DJEMBE HAT

TAJH-10 K

TAJH-12 K

Tycoon is proudly introducing the Kente Djembe Hat, brand new accessory item to complement our rapidly-growing lineup of djembes, especially to match our Kente djembes which have become very popular over the past few years. Built from a soft but durable material, the Kente Djembe Hat features padded tops designed to provide extra protection for your djembe head during storage and transportation. The elastic stretch design allows for quick and easy installation or removal, and a snug fit when installed.

LITTLE MARACAS

Offering an alternative sound to our other maracas, the all-new Tycoon Little Maracas are a pint-sized, easy to carry alternative for those who want to have an instrument with them at all times ready to make music. Made with durable high-strength plastic with a special finish applied for easy wipe-cleaning, these petite maracas measure 15 cm long and are available in two color options.

KALANI'S WORLD RHYTHMS

Tycoon's all-new World Rhythms Collection, designed in collaboration with artist and educator Kalani Das, includes hand-selected and specially designed instruments for classroom drumming. Appropriate drums and hand percussion are grouped into sets for Caribbean, Brazilian, and West African music and are the perfect size, volume, and sound for music education settings. Each set is designed to provide maximum versatility while remaining true to the music with authentic designs and sounds.

Kalani's World Rhythms program, available from Hal Leonard Publishing (pictured here), helps students play and sing world music while developing key musical techniques, knowledge of drumming culture, and important social and emotional skills. This World Rhythms Collection of instruments is the perfect match for it, and completely brings the program to life. It moves music education beyond the "one-size-fits-all" model while taking the guess work out of selecting quality classroom instruments that will last a lifetime of music making.
